ORDINANCE No.

AN ORDINANCE APPROVING AND ADOPTING THE FISCAL YEAR 2016 COMPENSATION PLAN FOR OFFICERS AND EMPLOYEES OF THE CITY, AMENDING AND REORDAINING THE NORFOLK CITY CODE 1979, AS AMENDED, AND APPROVING CRITERIA AND PROCEDURES FOR PAY SUPPLEMENTS FOR CERTAIN CONSTITUTIONAL AND STATE OFFICERS AND THEIR EMPLOYEES.

BE IT ORDAINED by the Council of the City of Norfolk:

Section 1:- **City Compensation Plan.** That until otherwise changed by the Council, the pay ranges of the various officers and employees of the City, as set forth in this fiscal year 2016 Compensation Plan Ordinance, and the regulations, tables, appendices and other attachments to it (attachments), which are incorporated by reference, for the administration of the Plan are hereby approved, and said Plan is hereby adopted. Such Plan, as to the positions included, shall supersede and replace the fiscal year 2015 Plans approved and adopted by Ordinance No.45,589, enacted June 10, 2014, and effective July 1, 2014.

Section 2:- **Salary Range Adjustments.** That effective July 1, 2015 each pay range maximum in Plan 1 will be increased by two percent (2%) and the final step of each pay range in Plans 3 and 4 will be increased by two and a half percent (2.5%).

Section 3:- **Salary Increases.** That effective January 8, 2016, pursuant to the attachments to this ordinance, some City employees will move pay ranges. Because the salaries of some employees as of January 7, 2016, will be below the minimum pay of their new pay range, some City employees will receive salary increases on January 8, 2016 so as to bring their salaries up to the minimum of their new pay range.

Effective January 8, 2016, City employees, with the exception of those with annual salaries at or above the maximum of their respective pay ranges, sworn members of the departments of police and fire-rescue, and general employees in pay grades eight and below whose status is addressed below, shall receive a two percent (2%) general wage increase (GWI). Officers appointed by the Council are authorized to receive a two percent (2%) salary increase effective January 8, 2016. Only officers and employees hired before July 1, 2015, are eligible for this increase.

Effective January 8, 2016, sworn members of the departments of police and fire-rescue shall, if eligible, receive a single step increase based on the tables concerning their compensation attached to this ordinance. Sworn police and fire-rescue employees must have completed their initial probationary period by December 31, 2015 to be eligible for this increase.

Effective January 8, 2016 general employees, in Pay Plan 1, with annual salaries at or above the maximum of their respective pay range, may receive a one-time bonus in the amount of two percent (2%), in lieu of a GWI; or a combination of both, not to exceed two percent (2%) in total. This provision does not apply to general employees that were within two percent (2%) of the pay range maximum prior to January 8, 2015.

Effective January 8, 2016 sworn employees with annual salaries at or above the maximum of their respective pay range may receive a one-time bonus in the amount of two and a half percent (2.5%), in lieu of a step increase. This provision does not apply to sworn employees that were within one step of the pay range maximum prior to January 8, 2015.

Effective January 8, 2016 general employees whose classifications are in pay grade eight, of Pay Plan I, and below as of July 1, 2015 will receive a three percent (3%) GWI.

Section 4:- **Council and Council President**. That until otherwise changed by the Council, the salary of the Council President (Mayor) shall be \$27,000.00, and the salaries of all other members of Council shall be \$25,000.00, and are hereby approved and adopted. This ordinance and its attachments, as they pertain to the Council or the Council President, shall supersede and replace the fiscal year 2015 Compensation Plan Ordinance of the City of Norfolk, approved and adopted by Ordinance No. 45,589, enacted June 10, 2014, and effective July, 1, 2014.

Section 5:- **Constitutional and State Officers and Employees – Pay Ranges**. That until otherwise changed by the Council, the pay ranges of various Constitutional and State officers and their employees, as set forth in this ordinance and its attachments, are hereby approved and adopted. This ordinance and its attachments, as they pertain to said officers and employees shall supersede and replace the fiscal year 2015 Compensation Plan Ordinance of the City of Norfolk, approved and adopted by Ordinance No. 45,589, enacted June 10, 2014, and effective July 1, 2014.

Section 6:- **Constitutional and State Officers and Employees – Change of Provisions**. That the Council shall have the right at any time to change the pay ranges, rates of pay, regulations and supplements set forth in the compensation plan or supplemental pay schedules adopted in the body of this ordinance or its attachments. Moreover, because the City salary supplements are only intended to grant the Constitutional and state officers and employees parity with City

employees, whenever the State Compensation Board authorizes an increase to their salaries during the life of this ordinance, the City Manager shall apply that increase to the employee's State Compensation Board authorized salary, and so as to maintain parity, decrease the City's supplement in proportion to the State Compensation Board increase.

Section 7:- **Constitutional and State Officers and Employees – not City officers or Employees.** That notwithstanding the provisions of any ordinance, regulation or action by the Council, City Manager or the Civil Service Commission of the City of Norfolk to the contrary, codified or otherwise, the officers and employees of the various Constitutional and State offices whose salaries the City funds, regardless of whether the City funds 100% of their salaries or some smaller percentage and regardless of whether their date of hire is prior or subsequent to the date of the adoption of this ordinance, shall not be officers and employees of the City or eligible for any of the various rights that inure to the status of City employment, classified or otherwise. Unless their position is created and authorized by the Council of the City of Norfolk or in some cases, the City Manager and the City Attorney, and such creation is implemented in accordance with the Charter provisions, ordinances, rules and regulations governing employment with the City, such individuals working within such offices are not and shall not be deemed officers and employees of the City of Norfolk, but instead are and shall be deemed at will employees of the various Constitutional and State officers and offices, and they shall not, among other things, have any rights to utilize the City of Norfolk's Employee Grievance Procedure. All attorneys licensed to practice law in Virginia or elsewhere who are either in the employment of the City or receiving salaries funded entirely by the City but employed by a Constitutional Officer shall be under the ultimate direction and control of the City Attorney and shall serve at his will. In the case of non-City employees whose attorney positions are entirely funded by the City, they shall receive their City-funded salaries at the will of the City Attorney, regardless of their actual employer.

Section 8:- **Employment Status of Officers and Employees.** That nothing contained in this ordinance is intended to or shall alter the employment status of any persons who are not officers or employees of the City of Norfolk. Moreover, notwithstanding any other ordinance, regulation or action by the Council, the City Manager or the Civil Service Commission of the City of Norfolk to the contrary, codified or otherwise, all references to the officers and/or employees of the City, as those words are used occasionally within this ordinance or its Council-approved tables and regulations, shall only mean those individuals who have attained City employment, regardless of whether their date of hire is prior or subsequent to the date of the adoption of this ordinance, through the usual and regular employment procedures of the City of Norfolk, and who lawfully hold: (i) City positions exempt from the classified service as identified in section 114 of the

Charter; (ii) City positions lawfully classified by the Civil Service Commission pursuant to section 111 of the Charter; or (iii) City positions exempt from either the classified or the unclassified service as identified in section 114.1 of the Charter. No officer or employee of the City shall have the authority by reference, omission or error to amend, revise or otherwise change any aspect of the Compensation Plan Ordinance or its attachments. Only the Council acting by ordinance may establish or revise the Compensation Plan Ordinance or its attachments.

Section 9:- **Special Fiscal Measures.** That in situations where the Council reduces its appropriations to fund the salaries and benefits of the workforce (for example, due to severe and on-going economic downturn), the City Manager may initiate a reduction in force. A reduction in force may be justified for various reasons or combinations of reasons, including but not limited to, an economic downturn; the reorganization for efficiency of some department, division or bureau of the City; or the elimination or revision of unnecessary or moribund classifications or positions. In addition, the salaries of all officers and employees, both City Employees and non-City Employees, covered by this ordinance or any of its attachments, including all pay tables, pay systems, pay schedules and pay structures, and its various compensation plan regulations, all of which are incorporated herein by reference, may be adjusted. However, those individuals, if any, whose positions are fully funded by the State Compensation Board shall receive an increase if the Board grants an increase funded entirely by the Commonwealth.

Section 10: - **Department of Law.** That the City Attorney, a Council appointee, is the head of the City's Department of Law. All Employees holding positions within the Department of Law are members of the Law Department and, serve under the sole authority and supervision and at the will of the City Attorney. All personnel decisions concerning members of the Law Department are at the discretion of the City Attorney. Notwithstanding anything to the contrary elsewhere within this ordinance or its attachments, the following rules apply to the Department of Law.

Unused leave of this type shall not be paid out upon termination.

(C) New Appointees. The City Attorney may authorize the employment of a new member of the Law Department who is a city attorney at any salary within the pay range assigned to the title. However, employment at a salary exceeding the minimum limit of the pay range shall be based on objective criteria. Members of the Law Department who are not city attorneys are governed by the regulations for the administration of the General Plan concerning new appointees, except that the City Attorney makes the decisions related to pay rates, not the City Manager or the Director of Human Resources.

Members of the Law Department who are city attorneys are eligible for an increase in salary effective January 8, 2016, according to the following rules. The City Attorney shall review each attorney's salary for the purpose of making a compensation adjustment based on consideration of factors such as performance, market conditions and total increases authorized by the City Council for all other employees under this ordinance and its attachments. No percentage increase shall exceed the maximum rate of that attorney's pay range. The aggregate amount of salary increases under this subsection shall not exceed the equivalent of what it would cost for each of the attorneys to receive a two percent (2%) increase. Whether to give an increase and the amount of any individual city attorney's increase are at the discretion of the City Attorney. Only officers and employees hired before

The City Attorney may authorize one administrative pay adjustment per fiscal year for members of the Law Department based upon objective criteria, including, but not limited to the following: (1) to meet bona fide external job offers, when loss of an employee's service would be considered detrimental to the City and the Law Department (an employee must furnish a copy of the external job offer on the prospective employer's stationery); or (2) internal equity – a review of relevant circumstances surrounding the request should be submitted to the City Attorney for review (including, but not limited to, such information as length of service and hiring date, salary, educational background, experience, and scarcity of the hiring pool at the time of employment); or (3) value added to the organization (it is recognized that situations change over time and the value of an individual may be enhanced by various dynamic circumstances, such that an individual should be rewarded for demonstrated value to the department).

In addition to demotions, the City Attorney may reduce the compensation of any member of the Law Department who is a city attorney who fails to perform satisfactory work. The City Attorney may reduce their rate of compensation below what it was immediately prior to the effective date of this ordinance and its attachments. At any time during the effective duration of this ordinance and its attachments, the City Attorney may reevaluate the compensation of any attorney whose rate of compensation has been reduced pursuant to this subsection. If upon reevaluation the City Attorney finds that the attorney's work has improved, the City Attorney may approve an adjustment of that attorney's rate of compensation.

(I) Promotions. When a member of the Law Department who is a city attorney is promoted, the City Attorney may increase the attorney's compensation to any specific dollar amount within the pay range assigned to the position title to which the promotion is made. When a member of the Law Department who is not a city attorney is promoted, the regulations for the administration of the General Compensation Plan apply, except that the City

Attorney makes the decisions, not the City Manager or Director of Human Resources.

The salaries of officers and employees of the City Treasurer, shall be increased by two percent (2%) effective January 8, 2016. Only officers and employees hired before July 1, 2015 are eligible for this increase.

(E) The City Treasurer, whenever the compensation of an officer or employee of the Treasurer is increased by the Compensation Board of the Commonwealth of Virginia to a sum exceeding the amount payable under this Section of this ordinance, shall take immediate action to adjust the compensation payable to such officer or employee so that it is not less than that fixed by the Compensation Board.

(F) Any compensation paid in accordance with this ordinance to an officer or employee of the City Treasurer in excess of the sum fixed by the State Compensation Board shall constitute a local supplement, to be payable entirely from the funds of the City.

(G) The City Treasurer, with the City Manager's endorsement, may authorize one administrative pay adjustment per any individual employee per fiscal year, based on internal equity, value added to the organization, or to meet bona fide external job offers, provided funds are available. These adjustments shall be included in an employee's base wages and retirement calculations.

(H) The compensation of officers or employees of the City, if any, assigned to the supervision of the City Treasurer shall be governed solely by the applicable City Compensation Plan.

(I) The purpose of this ordinance and of the criteria and procedures it establishes is solely to supplement the compensation of certain officers and employees of the Treasurer with funds of the City, as authorized by Virginia Code §15.2-1605.1, as amended. Nothing contained herein, or in any City Compensation Plan shall alter the status of such persons as officers and employees of the Treasurer, and not of the City of Norfolk, and any references to and/or applications of any City Compensation Plans are solely for the purpose of administrative convenience in computing the amount of authorized supplements.

Section 16:- **Magistrates.** Whereas, Section 19.2-46.1 of the Code of Virginia, as amended, authorizes the governing bodies of counties and cities to supplement the compensation of magistrates so long as the total amount, Commonwealth salary plus City supplement, does not exceed fifty percent (50%) of the amount paid by the Commonwealth to any magistrate, and

Whereas, the Council considers it to be in the interests of the City that the compensation of magistrates be supplemented; now therefore, the Council ordains as follows:

(A) That the City shall supplement the fixed compensation paid by the Commonwealth of Virginia to the magistrates appointed to serve in the City of Norfolk in the amounts indicated below, the funds for such supplements having been heretofore appropriated in the annual appropriations ordinance of the City for fiscal year 2016. As provided in Section 19.2-46.1, referenced above, the governing body of any county or city may add to the fixed compensation of magistrates such amount as the governing body may appropriate with the total amount not to exceed fifty percent (50%) of the amount paid by the Commonwealth to magistrates, provided such additional compensation was in effect on June 30, 2008 for such magistrates and any magistrate receiving such additional compensation continues in office without a break in service. However, the total amount of additional compensation may not be increased after June 30, 2008. No additional amount paid by a local governing body shall be chargeable to the Executive Secretary of the Supreme Court, nor shall it remove or supersede any authority, control or supervision of the Executive Secretary or Committee on District Courts.

(B) That the salaries of the magistrates eligible for supplements as of June 30, 2015, shall be increased by two percent (2%) effective January 8, 2016. Only magistrates hired before July 1, 2015 are eligible for this increase.

(C) That the purpose of this ordinance is solely to supplement the compensation of the magistrates with funds of the City, up to the limit set by and as authorized by Section 19.2-46.1 of the Code of Virginia, as amended, and nothing contained herein shall alter the status of such persons as officers or employees of the Commonwealth and not of the City of Norfolk.

Section 17:- **Clerk of the Circuit Court**. Whereas, it is the desire of the Council of the City of Norfolk and of the Clerk of the Circuit Court of the City of Norfolk that the compensation of certain officers and employees of the Clerk's office, which is fixed by the State Compensation Board of the Commonwealth of Virginia, be supplemented; and

Whereas, Virginia Code §15.2-1605.1, as amended, authorizes the Council, in its discretion, to supplement the compensation of Constitutional Officers and their employees in such amounts as it may deem expedient; and

Whereas, the supplementation of the compensation of the officers and employees of the Clerk's office is not intended to and shall not constitute them officers and employees of the City for any purpose and shall not authorize the application to them of any personnel policies of the City; and

Whereas, the Council deems it appropriate and necessary to establish specific criteria and procedures for the supplementation of the compensation of the officers and employees of the Clerk's office; now, therefore, the Council ordains as follows:

(A) The compensation of officers and employees of the Clerk's office employed in positions designated by the job titles identified in attachments to this ordinance shall be supplemented by the payment to them of compensation within the pay ranges set opposite each job title established in the attachments to this ordinance, except that in no event shall an officer's or employee's supplemented compensation be lower than that fixed by the State Compensation Board of the Commonwealth of Virginia. The salaries of the officers and employees of the Clerk, shall be increased by two percent (2%) effective January 8, 2016. Only officers and employees hired before July 1, 2015 shall be eligible for this increase.

(B) The Clerk's salary shall increase by \$5,000 effective July 8, 2015. Effective January 8, 2016 the Clerk's salary will be increased by two percent (2%).

(C) The administration and computation of supplements to the officers and employees of the Clerk pursuant to this ordinance shall be governed by and be subject to the following regulations:

(1) For the purposes of making any necessary compensation adjustments occasioned by promotions, demotions or reclassifications, the computations prescribed by the regulations in the City's Compensation Plan for City employees that relate to such transactions, and other administrative procedures generally applicable to the compensation of city employees, shall be utilized.

(D) The purpose of this ordinance and of the criteria and procedures it establishes are solely to supplement the compensation of officers and employees of the Clerk, as authorized by Virginia Code §15.2-1605.1, as amended. Nothing contained herein or in any City Compensation Plan shall alter the status of such persons as officers or employees of the Clerk, and not of the City of Norfolk, and any references to and/or applications of any City Compensation Plan are solely for the purpose of administrative convenience in computing the amount of authorized supplements.

(E) The compensation of officers or employees of the City, if any, assigned to the supervision of the Clerk shall be governed solely by the applicable City Compensation Plan.

(F) The Clerk, with the City Manager's endorsement, may authorize one administrative pay adjustment per any individual employee per fiscal year, based on internal equity, value added to the organization, or to meet bona fide external job offers, provided that funds are available. These adjustments shall be included in an employee's base wages and retirement calculations.

Section 18:- **City Code Amendments**: That the Norfolk City Code, 1979, as amended, is hereby amended and reordained as indicated in the following subsections.

COMPENSATION PLAN REGULATIONS

REGULATIONS FOR THE ADMINISTRATION OF THE FY 2016 COMPENSATION PLAN

Section 1. Authority and Discretion

(1) This compensation plan applies to all employees who hold classifications within this plan for the City of Norfolk. No officer or employee of the City shall have the authority by reference, omission, or error to change the content and administration of the City of Norfolk Compensation Plan.

(2) The City Attorney has the same authority and discretion as the City Manager for classifications that fall under the Department of Law.

Section 2. Classification Updates

(1) Deletions - The elimination of a classification is due primarily to efficiency and effectiveness. Affected employees shall be governed by the reduction-in-force provisions.

(2) Additions - The City Manager or designee is authorized to create classifications during the fiscal year, as determined by operational needs.

Section 3. Constitutional and State Board Appointed Employees

This Compensation Plan assigns pay grades to certain class titles applicable only to persons who are not employees of the City, but who are employed by other governmental officials, such as those of the General Registrar. In addition, certain class titles listed in this Compensation Plan may be assigned not only to persons who are City employees, but also to certain other persons not employed by the City. Nothing in this Compensation Plan is intended to alter the employment status of persons employed by officials or entities other than the City of Norfolk and inclusion of class titles applicable to such persons in this Plan shall not have that result. Although the pay grades, pay rates and regulations contained in this Plan may be used by governmental officials and entities other than the City, at their discretion, with respect to the compensation of their employees, no such application shall be deemed to render such persons City employees, or to grant them any rights applicable to City employees.

Section 4. Definitions

"Classification" - A group of positions or other employments authorized by ordinance, e.g., special projects, which are sufficiently alike in duties and responsibilities that they are placed in the same classification specification by the Civil Service Commission and described by the same title and assigned to the same pay grade in this Compensation Plan. In the case of positions exempted from the classified service, the term "classification" is used for convenience only, as the Civil Service Commission has no authority in relation to such positions.

"Classified" - All classes of positions that have certain rights and privileges.

"Employee" - As used in these regulations, includes employees and officers of the City whose compensation is specified in this Compensation Plan.

"FLSA" - The Fair Labor Standards Act.

"Exempt Employees" - Employees who are not covered by or are exempted from the minimum wage and overtime provisions of the Fair Labor Standards Act.

"Non-exempt Employees" - Employees who are subject to the minimum wage and overtime provisions of the Fair Labor Standards Act.

"Pay Grade" - A series of specific pay rates assigned to a classification as the compensation for that classification.

"Pay Rate" - A specific dollar amount, expressed as either an annual, semimonthly, or hourly rate as shown in the Compensation Plan schedules.

"Regular Rate of Pay" - An hourly rate for non-exempt employees determined by dividing total remuneration for employment (calculated in accordance with the FLSA) in any work week by 40, or, in the case of fire protection/emergency medical, or law enforcement employees, by the number of hours in the applicable declared work period established pursuant to Section 7(k) of the FLSA and Section 9.1-701 of the Virginia Code.

"Red-Circle" - A designation for salaries that exceed the maximum of a specified pay range. Typically an employee is not eligible for pay increases until the salary is below the maximum of the pay range.

"Unclassified" – All classes of positions that serve at the will of the city.

Section 5. Demotions

(1) **Voluntary** – The salary shall be placed at any pay rate within the lower classification, at the discretion of the City Manager or designee not to exceed the employee's current salary.

Involuntary – The salary of an employee demoted due to a corrective action will be reduced by at least 5% within the new pay range or to an amount approved by the City Manager or designee, not to exceed the maximum salary of the new pay range.

(2) When an employee is demoted during a promotional probationary period, the salary shall be reduced to the pay rate formerly received prior to promotion.

Section 6. Salary Adjustments

(1) When recommended in writing by a department head endorsed by the Director of Human Resources, and available funds are certified by the Director of Budget and Strategic Planning, the City Manager or designee may authorize one administrative pay adjustment per fiscal year, based upon objective criteria, including but not limited to the following:

(a) To meet bona fide external job offers, when loss of an employee's service would be considered detrimental to the City. An employee must furnish a copy of the external job offer on the prospective employer's stationery; or

(b) Internal equity – A review of relevant circumstances surrounding the request should be submitted (for example, the same facts for other job classes affected, such as length of service, hire date, pay grade and step, educational background, experience, scarcity of the hiring pool at the time of employment, and similar factors); or

(c) Value added to the organization – It is recognized that situations change over time and the value of an individual may be enhanced by various dynamic circumstances, such that an individual should be rewarded for demonstrated value to the department/organization.

(2) The City Manager or designee is authorized to recommend and approve bonuses for exceptionally meritorious service, if funds are available within departmental salary accounts. Only one bonus per individual may be authorized during the fiscal year. While bonuses are generally limited to no more than five percent (5%), the City Manager can approve a higher percentage. Bonuses will not be included in an employee's base wages or retirement calculation.

(3) In the event that the federal minimum wage rate is higher than the minimum of the pay grade, all employees will be paid at least the federal minimum wage rate.

(4) When the minimum pay rate in a pay grade for any Division of Social Services classification is below the minimum salary mandated for that classification by the Commonwealth of Virginia, the City Manager shall increase the compensation to the Commonwealth-specified minimum salary.

(5) The City Manager or designee may authorize special assignment pay not to exceed pay grade maximum, when he assigns an employee additional duties that are significantly outside of their normal job responsibilities for at least fifteen (15) days. When the special assignment is discontinued, an employee's compensation shall revert to the salary previously paid prior to such assignment.

(6) Employees in step based pay plans may receive step increases on a schedule as determined by City Manager or designee.

(7) All pay changes or adjustments shall become effective on the first day of the respective pay period that follows the approval of the City Manager or designee, unless otherwise specified. If the approval date and the first day of the respective pay period coincide, the adjustment shall become effective on that date.

(8) The City Manager may disburse funds in support of a pay-for-performance initiative.

Section 7. Inclusiveness of Specified Compensation

The rates of compensation specified in these regulations and the other tables, appendices and attachments to the Compensation Plan ordinance, for the positions with the classifications listed constitute the total monetary compensation of the regular, full-time employees and officers holding such positions as members of the classified or unclassified service and of those holding them as members of neither service (e.g., special project employees). Also, to the extent funds are available, the City Manager or designee may pay and/or reimburse expenses authorized in advance and incurred as an incident of employment.

The following additional compensation for Council Appointees are as follows:

(1) The City Manager:

- (a) the use of a City car or to receive a monthly car allowance of \$833.33. If the car allowance is elected, that supplemental pay shall be counted as earnable compensation for the calculation of retirement pension benefits;
- (b) a contribution in the amount of \$20,000.00 to the City Manager's section 401 account;
- (c) payment of health, dental and vision insurance premium costs;
- (d) payment of long-term disability insurance premium costs;
- (e) payment of mandated Virginia Retirement System life insurance premium costs;
- (f) enrollment fees for membership into three professional organizations; and
- (g) severance payment, in addition to payout of leave balances, if involuntarily terminated for any reason other than malfeasance or a criminal offense, in the following amounts: if terminated during the first two years of employment, one year of severance pay at current rate; if terminated during the third year or any time thereafter, nine months of severance pay at current rate.

(2) The City Attorney:

- (a) the use of a City car or to receive a monthly car allowance of \$833.33. If the car allowance is elected, that supplemental pay shall be counted as earnable compensation for the calculation of retirement pension benefits;
- (b) a contribution into a 457 account in an amount equal to the maximum allowable, including "catch up" contributions and cost of living adjustments. Such contributions will be considered earnable compensation for the calculation of retirement pension benefits.

Section 8. Living Wage

Effective January 8, 2016 permanent employees will receive a minimum hourly rate of pay equivalent to an annual salary of \$24,250.00 (\$11.65865/hr.).

Section 9. New Hire Compensation

(1) Every person whose position is included within a classification listed in this Compensation Plan, shall be employed at the minimum rate of the pay grade established for the classification, except as otherwise provided, subject to the availability of funds.

In the case of a new appointee whose experience and qualifications exceed the minimum qualifications for the position:

- A department director may authorize an initial salary up to 15% above the minimum of the pay range for the position.
- The Director of Human Resources may authorize an initial salary up to the midpoint of the pay range.
- The City Manager or designee may authorize a salary beyond the midpoint of the pay range.
- The City Council, in cases of persons whose appointments it confirms, may authorize employment at any rate in such pay grade.

(2) Persons initially employed in Special Project status who move to a permanent position of the same title and grade in the classified service pursuant to the rules and with the approval of the Civil Service Commission, shall have no change in compensation, unless a higher pay rate, based on a clearly identified business need, is authorized by the City Manager.

Section 10. Overtime and Related Provisions

(A) General Provisions

(1) No employee shall be entitled to or shall receive any additional monetary compensation or shall be granted any compensatory time off for hours of work in excess of the standard work day, as defined in Section 2-47 of the City Code, except as provided herein.

(2) For the purposes of determining eligibility for compensation for overtime work, City employees are assigned to two eligibility categories:

(a) Non-Exempt – Employees, who under the FLSA, are required to receive monetary compensation or compensatory time for overtime work in accordance with the FLSA:

i. at the rate of one and one-half times their regular rate of pay, or compensatory time equal to one and one-half times the number of hours actually worked in excess of 40 hours in a work week; or

ii. in the case of fire protection and law enforcement personnel on a work period between 7 and 28 days, at a rate established pursuant to 29 U.S.C. §207(k) of the Federal Code and §9.1-701 of the Virginia Code.

(b) Exempt - Employees who are exempt from the FLSA and are not eligible to receive either monetary overtime compensation or compensatory time off for overtime work.

(3) Non-exempt employees will be eligible for monetary overtime compensation or compensatory time off when, by reason of necessity or emergency, they are required to work in excess of 40 hours per week, or for fire protection and law enforcement personnel, in excess of the rate established pursuant to 29 U.S.C. §207(k) of the Federal Code and §9.1-701 of the Virginia Code.

(a) All periods of paid leave should be counted towards eligibility of overtime for sworn public safety employees.

(b) Paid time off will not be counted as hours worked toward achieving eligibility for overtime status for non-sworn employees, unless provided under administrative policy.

(c) Department heads or their designees are authorized to approve overtime work for non-exempt employees. An agreement between department heads or their designees and the individual employee must be reached prior to performance of overtime work, if compensatory time is to be given in lieu of monetary overtime.

(4) Exempt employees will not be eligible for either compensatory time or monetary overtime pay. Non-exempt employees permanently transitioning to exempt positions must be paid out for unused compensatory time.

(5) Compensatory time is subject to the following limits:

- (a) Eligible non-sworn employees may not accrue more than 240 hours of compensatory time (160 hours of actual overtime worked). Employees who have accrued 240 hours of compensatory time off will be paid monetary overtime for additional overtime hours of work.
- (b) Sworn employees may not accrue more than 480 hours of compensatory time (320 hours of actual overtime worked). Sworn employees who have accrued 480 hours of compensatory time off will be paid monetary overtime for additional overtime hours of work.
- (c) A non-exempt employee who has accumulated overtime may request compensatory time off and such compensatory time off shall be granted within a reasonable period of time, so long as it does not unduly disrupt the affected Department's operation.
- (d) Upon termination of employment, an employee shall be paid for unused compensatory time earned at a rate not less than (i) the average regular rate received by such employee during the last 3 years of employment, or (ii) the final regular rate received by such employee, whichever is higher.
- (e) Upon request by a department head, the City Manager may authorize payment of monetary overtime, if determined that an allowance of compensatory time off would adversely affect the operations of the City, and when funds are available.

(6) General non-exempt employees assigned to a designated task system of operation are ineligible for overtime during the performance of their designated tasks unless:

- (a) The designated task requires more than 8 hours of work in any one day or more than 10 hours of work in any one work day for employees assigned to a 4-day, 10-hour per day work week; or
- (b) Employees have completed their designated tasks for the day and are assigned additional tasks; or
- (c) They are required to work in excess of 40 hours in a work week.
- (d) The designated tasks for each employee operating under a task system shall be set forth in writing by the Department Head.
- (e) Employees performing overtime work as defined in this paragraph shall be entitled to monetary overtime or compensatory time off for each hour they are required to perform such work, in accordance with the regulations set forth in this plan.

(B) Training

(1) When state and/or federally mandated recertification training requirements cannot be accommodated during scheduled work periods, and when this circumstance has been certified, in writing, by the Director of Human Resources, employees may be granted off-duty training time, on an hour for hour basis, including the taking of the final examination, that can only be offered to them by management during off-duty hours. Such time will not be extended to include travel time. Non-exempt fire-rescue employees required to participate in state-mandated Advanced Life Support recertification training will only be eligible to receive this compensation once every three years, in accordance with Virginia Department of Health, Office of Emergency Medical Services recertification periods.

(2) Training required by the employer as part of an employee's normal assignments, other than training required for state and/or federal recertification, shall be considered as hours worked,

and any overtime hours necessitated by such requirement shall be paid for in accordance with the FLSA and regulations herein.

(C) Official Holidays

In all cases where employees are required to work on any designated holiday, the following provisions will apply.

(1) Non-exempt employees will receive monetary compensation equal to one and one-half times the hourly pay rate established for their classification (except for the birthday holiday and diversity holiday). In addition, these employees will be granted time off, equal to hours actually worked during their normally scheduled work hours, in lieu of the holiday; provided, however, that Refuse Collectors, Refuse Collection Supervisors, Refuse Inspectors and Waterworks Operator classifications may choose a holiday leave credit day or monetary pay (at straight time) for holidays designated by the department's Director, subject to the availability of funds for monetary pay. The extra hourly payments for holiday work will not be included in computing the employee's regular rate of pay for overtime computation purposes in accordance with the FLSA. Employees required to work on their birthday holiday and/or the diversity holiday will be compensated at the pay rate established for their classification.

work during this period. Any such declarations made by the City Manager shall be immediately shared with the City Council.

(E) Special Provisions for Specific Job Classifications

The minimum time for which such overtime compensation shall be payable will be one hour and payment after the first hour will be computed in increments of 15 minutes. The extra half-time payment for such appearances shall not be included in computing the employee's regular rate of pay for overtime computation purposes in accordance with the FLSA. Such employees who are required to appear for any of the above purposes who are on sick leave or receiving worker's compensation because of a work related disability shall not be entitled to such overtime compensation.

(2) Whenever an employee who is absent from duty on leave without pay status or on suspension, is required by the City to appear in a civil or criminal court, or at a hearing before an agency of the Commonwealth of Virginia, or to give a deposition in lieu of appearing, to testify to facts which arise within the scope of his or her employment with the City of Norfolk, such employees shall receive compensation equal to the hourly rate of pay established for such classifications for each hour he or she is required to be present in such court or at such proceeding.
